

**WSET Level 2 Wine &  
Cicerone Certified Beer Server Trainings  
at 2023 MMBA Annual Conference**

**(Conference Registration Not Required for Training)**

*WSET's Level 2 Award in Wines is a beginner to intermediate-level qualification exploring wines, suitable for industry professionals and wine enthusiasts.*

*This qualification is intended for beginners wishing to learn about a wide range of wines or those seeking to build on the introductory knowledge gained with the WSET Level 1 Award in Wines. You'll gain knowledge of the principal and regionally important grape varieties of the world, the regions in which they are grown, and the styles of wine they produce. Through a combination of tasting and theory, you'll explore the factors that impact style and quality and learn how to describe these wines with confidence.*

WSET Level 1 certification NOT required to take Level 2.

*Great beer service begins with the fundamentals: beer clean glassware, a proper pour, and beer that hasn't been ruined by improper handling. When properly executed, these elements showcase the beer as the brewer intended. In today's beer world, every dialog between server and guest begins with talk of beer styles and flavors. The Cicerone Certified Beer Server exam assesses these skills to recognize those individuals who are best prepared to sell or serve a wide range of beers.*
